#### GRAPHIC/FREELANCE WEB DESIGNER

*Fiverr, Henderson*

- Worked with clients to gather and define requirements, establish scopes and managing project milestones. Designed website layouts, templates and unique branded looks. Put together videos for social media, advertising and informational purposes. Built corporate brands by designing cohesive looks between elements such as logos and letterheads. Created digital image files for use in digital and traditional printing methods. Met with customers to present mockups and collect information for adjustments.
